SURFACE-MOUNT
Instruction manual

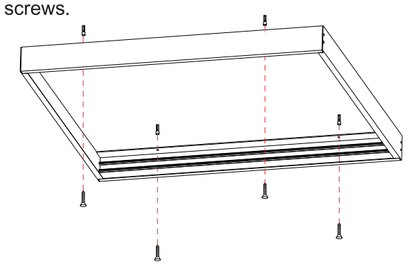

PLEASE READ INSTRUCTIONS BEFORE COMMENCING INSTALLATION AND RETAIN FOR FUTURE REFERENCE.

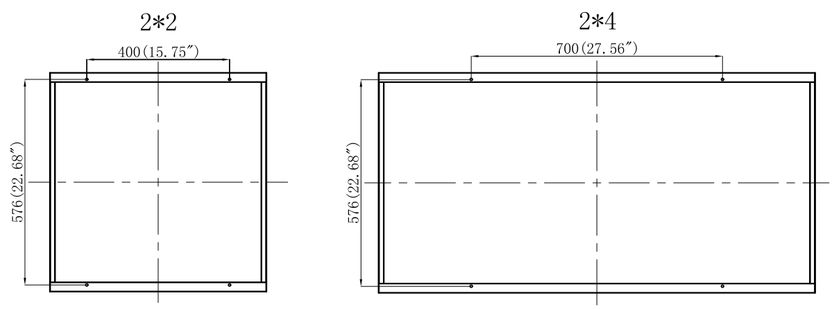

! Electrical products can cause death or injury, or damage to property. If in any doubt about the installation or use of this product, consult a competent electrician

1 Fasten the sides together using the screws provided.

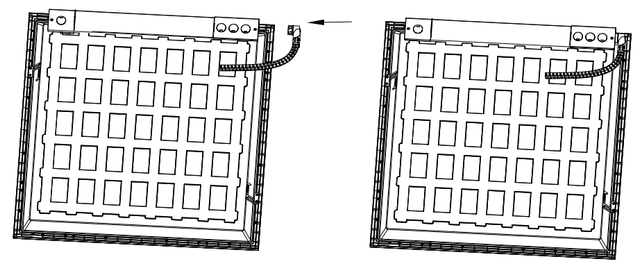

2 Secure frame to the ceiling using plugs and screws.

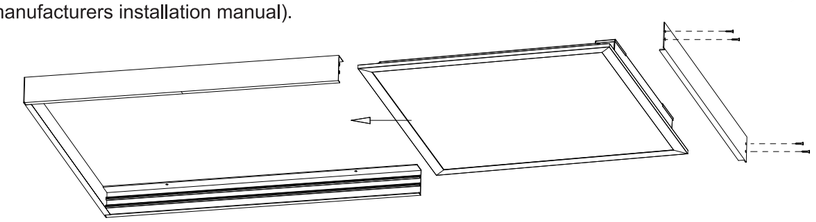

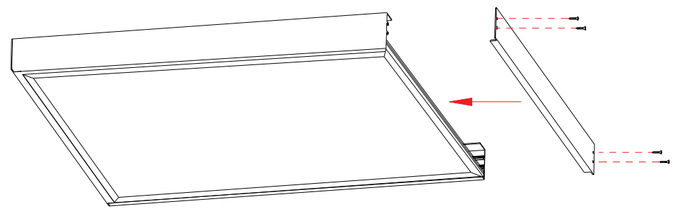

3 NB: Use the side knock out on the panel when installing into the surface mount frame.

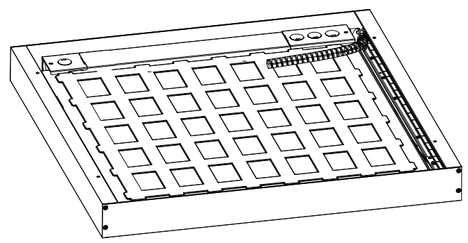

4 Remove one side of the frame and slide the panel into place (wire fixture to mains electricity using manufacturers installation manual).

5. Replace the end frame and secure into place using the four screws.

6 Installation complete.

INSTALLATION MUST BE CARRIED OUT BY A QUALIFIED ELECTRICIAN
